Welcome to FACE Human Rights! Thank you for taking the time to complete this survey and for sharing information about your organization with the FACE Human Rights community. If you have Internet access, please complete the survey online at www.facehumanrights.org; if not, complete this paper survey and mail it to us at the address above or return it to the FACE Human Rights partner organization that gave it to you.

FACE Human Rights is an international human rights forum that helps individuals educate each other about their rights under international law and engage each other as global citizens. It is also a website designed to put every grassroots human rights organization in the world on the internet despite size, lack of funding, distance, borders, media indifference, and repression. FACE Human Rights permits individuals and organizations around the world to connect, share information and resources, organize and act.

FACE Human Rights was developed at Rutgers University. It is a non-profit, non-partisan organization; it does not endorse specific causes or organizations, or as an entity take positions. It is an instrument of transparency and accountability.

Please fill out the survey to the best of your ability, interpreting the questions as you see best. Thank you again!
